New transport regulations for perma FLEX

PCN-No.:

1903-03-00

Date:

2019/04/01

Details:

Concerning new transport regulations, perma FLEX was classified to UN 3544 and since Jan. 1st 2019 it has no longer been allowed to be transported via airfreight.

After another review the UN number was changed to **UN 3363**.

This was confirmed by external locations.

perma FLEX **is allowed to be transported** via airfreight.

For details, please refer to the attached safety data sheets (especially SECTION 14: Transport information)

**Products affected:**

perma FLEX

Effective date:

2019/04/01

Remarks:
