New and modified perma Accessories & mounting components

PCN-No.:

1506-01-00

Date:

2015/06/10

Description of Change:

The introduction of our new Heavy Duty (HD) program also required new accessories.

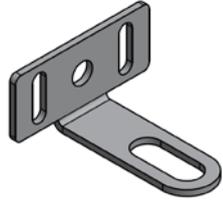

Some of our existing accessories were replaced or modified.

The new HD accessories can be used for all perma Single-point lubrication systems.

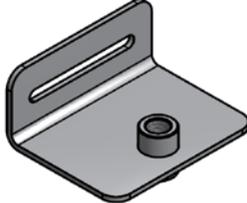

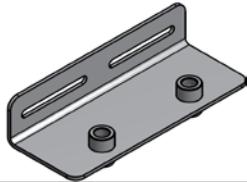

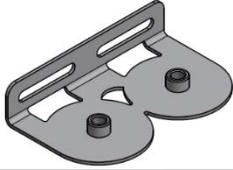

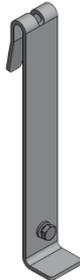

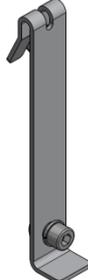

We also prepared a new catalogue (in addition to our regular perma catalogue).

The new catalogue is called "**Mining and Heavy Duty Industry** (order# 110197) and shows the complete HD program with all accessories.
